Official visit of the President of the Hellenic Republic to Slovenia

President of the Hellenic Republic, Dr. Karolos Papoulias, made a three-day official visit to Slovenia (16-19.11.), accompanied by Alternate Foreign Minister Dimitris Droutsas and a business delegation.

President Papoulias held talks with his Slovenian counterpart Danilo Türk and both made statements underlining that the excellent relations between the two countries can be improved even further.

“Despite the excellent economic cooperation between Slovenia and Greece, its potential is still not fully used”, said Slovenian President Danilo Türk on Wednesday at a Slovenian-Greek business conference, organized as part of the official visit of the Greek President.

Law firm “Metaxas & Associates”, represented by its managing partner Dr. Antonis Metaxas, was part of the business delegation accompanying President Papoulias and participated in the official discussions regarding the possible ways to boost economic cooperation between the countries. In an interview given to the National Broadcasting Channel of Slovenia Mr. Metaxas underlined the very constructive cooperation of “Metaxas & Associates” with Slovenian clients already present in the Greek Market and highlighted the possibilities of further strengthening of the bilateral business relations, especially in the field of renewable energy sources and, in general, in various innovative fields of the so called “green economy”.
